

Bailey's Respite Care

2019 December

Newsletter

To all Staff: Please keep in mind that it's your responsibility to keep up with your work schedule. If you are scheduled to work and would like the holiday off, please speak with the parent (s) or guardian to make arrangements. Notify your QP ASAP. Your QP will need a (two) week notice in advance. This will give your QP time to get someone in place if needed.

Happy Birthday
