If for some reason you can't work your shift or schedule please call your QP. If they're unable to answer, leave a message. If you send a text do not assume that they received it in a timely manner. If you need time off, request it off at least two (3) weeks in advance. This gives your QP enough time to put other staff in place if necessary.

KEEP IT COMING!
 Roll in the with a head start...
 Bring in a current copy of your Car Ins information.
 BRC has a personalize parking space for it.
