## \*Holiday Schedules\*

It is your responsibility as the employee to keep up with your work schedule. If you are scheduled to work and would like a holiday off, then please get with the parent(s) or legal guardians to make arrangements.  
Please notify your QP two (2) weeks in advance of any time that you need off, so other staff can be in place if needed. This includes ALL holidays. Please remember to update addresses, phone number, email addresses, and car insurance information see MS. Massey in Human Resources.
